

Solderless terminals, connectors and pin terminals to DIN - Cu

Insulated solderless terminals, copper, 10 - 16 mm²
Fork type

- For direct screw-mounting
- Special design for meter connection

Characteristics

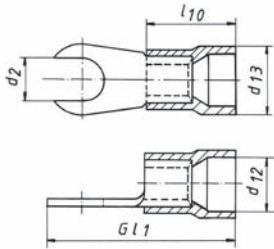

- With grooved profile
- Hard-soldered in the crimping area
- Insulating sleeve PA, free of halide

Material

- Cu-ETP

Surface

- tin plated

Cross-section mm ²	Part No.	Colour	Dimensions mm					Weight		pcs.
